

TRANSITIONAL LIVING CENTER

AT A GLANCE

Project Location: Trussville, Alabama

Total Square Feet: 2,893 sq ft

Building Type: Modular Apartment-Style Housing

Partnered With: Quick Buildings Modular 

OBJECTIVES

The Will Bright Foundation in Trussville, Alabama wanted to expand by building another space which would offer rehabilitation to individuals with drug-related pasts at their Restoration Springs location. Their mission is to provide men a place to land after their stay in recovery by providing housing, counseling, job readiness training and job placement.

SOLUTIONS

Sunbelt built a 2,893 sq. ft. building which consists of a living area, 4 bedrooms, 2 baths, a kitchen & pantry, and a laundry room. We also partnered with Metro Power Fire Protection, and they installed a NFPA13 fire sprinkler at the site.
