

MATTEL ADVENTURE PARK

AT A GLANCE

Project Location: Glendale, Arizona

Total Square Feet: (6) 24x60 ft units

Building Type: Amusement Complex

Partnered With: United Rentals 

OBJECTIVES

VAI Resort, formerly announced as Crystal Lagoons Island Resort in Glendale, AZ, decided to expand even larger by building a Mattel Adventure Park alongside the resort. They wanted an indoor/outdoor design which included rides & attractions for guests of all ages.

SOLUTIONS

Sunbelt built 6 turquoise 24x60's which were delivered to the Crystal Lagoon's Island Resort in Arizona. Each unit serves a unique purpose: Development, Hospitality, Attractions, Preview Center, Construction, and Operations. The resort and park is planned to open before the 2023 Super Bowl, which will be located at State Farm Stadium - across the street from the resort.
