

MULTI-OFFICE BUILDING

AT A GLANCE

Project Location: Chandler, Arizona

Total Square Feet: 178 x 120 ft

Building Type: Multi-Office Building

Partnered With: Vesta Modular 

OBJECTIVES

The customer was looking to build general office space for their company. They wanted lots of open space, enclosed offices, break rooms, and conference rooms.

SOLUTIONS

Sunbelt worked with Vesta Modular to build a 178 x 120 sq ft 30-plex office space. The space consists of 11 individual offices, a large open space for cubicle offices, 2 break rooms, and 2 conference rooms.
